more information

Before

This winter TRDA has been hard at work improving the existing bathhouses at Notchy Creek Campground.

After

Heat and air have been installed as well as replacing the old, worn, fixtures. The bathhouses have also received a new coat of paint both inside and out.

We hope you will enjoy these improvements in the new season.

## *Improvements and Additions at Toqua Campground*

Recently TRDA began seeking approval from TVA to make improvements and additions to Toqua Campground. The proposal includes building a new pavilion, similar to the one recently built at Lotterdale Cove (pictured), near the beach area, installation of additional camping sites where space permits, and a new bathhouse

near the fishing pier. The proposal also includes the addition of four more camper

cabins. These new cabins will be located above the boat trailer parking area and will include bathrooms. Toqua Memorial Park is also slated for completion with the installation of a native flower garden and informational signage.

## *Toqua Festivities*

Susie hopes everyone had a happy and blessed holiday season and can't wait to see you soon. She also would like to have the band play again this year on holidays.

## *Lotterdale Cove Enjoys Improvements*

During the past two seasons Lotterdale Cove has seen a multitude of improvements. From the new pavilion to renovated bathhouses. TRDA hopes you have enjoyed these improvements and will continue to do so for many years to come.

Reminder: If you would like to reserve the pavilion for your special event or a family picnic, contact the Manager's office at 865-856-7284
